### **Salon K Privé - Blending Cirque du Soleil, Cabaret and Fifty Shades of Grey**

**Show Dates:      24 & 25 April and 1 & 2 May 2015, 8:30 – 11:45 p.m.**

**The exact address will be announced after booking.**

After a successful first season this February, the seductive **Salon K Privé** will return with more of their lavish, seductive and artful entertainment in the months of **April and May**.

Deriving from a private salon, till autumn 2014 only accessible by invitation and run by international renowned dancer & choreographer **Patrick King**, the international team of Salon K Privé is featuring extraordinary dance, customized songs, sensual poetry, and daring acrobatics, accompanied by champagne & a light dinner. Limited seating, a like-minded audience and the intimate setting give each guest a singular experience of the performing arts.

Inspired by the freedom and elegant decadence of Berlin in the 1920s and '30s, **Salon K** was founded in 2010, offering a new and one of a kind approach to performance, social interaction, and well-being to life. Uniting an array of performing arts disciplines and incorporating various artistic languages, the team around Patrick King and his partner Johan King Silverhult offer both a unique experience and an event that visitors can participate in by living it together with artists.

Based on a modern myth, told by King himself, and as an homage to "Eros & Thanatos", the performers take on divinity-like roles for the night, and grant the viewers a key to this journey. With only ½ meter away, a red silky cape swirls, a leather leash flings through the air while here and there, a seemingly re-encarnated Marlene-Dietrich flirts, seduces, and sings.

Artists from prominent institutions such as the *Paris Opera*, *Cirque du Soleil*, and *Stuttgart Ballet* will transform the highest artistic and technical qualities from the major stages into the intimate format of Salon K. For a max. of 40 guests, **Salon K Privé** holds the key to a 3 hours experience, during which the guests are invited to revive and stimulate their senses, delve into their imagination, and share the sensuality.

**Patrick King, Creative Director:** King's career as a choreographer, director, and performer spans several decades and has covered a large part of the globe. Born in the British West Indies, his artistic journey has taken him to *Cirque du Soleil*, various theater and opera houses around Europe, the *Venice Biennale*, the show "Qi" at *Friedrichstadtpalast* Berlin, and several pieces for the *Norwegian National Opera & Ballet*.

**Johan King Silverhult, Managing Director:** After studying at the Royal Swedish Ballet School in Stockholm, Silverhult established himself as a dancer, performing the works of many of the most influential choreographers of our time, among them M. Béjart, W. Forsythe, and J. Kilian. He also performed at the Venice Dance Biennale, the "2 Men" duo act for *Cirque du Soleil*, alongside events for *Moët & Chandon*, *Kérasaste*, and the *Life Ball* in Vienna.
